Email: jbollo80@msn.com

All exhibitors should plan to arrive between 8:00 and 9:00 a.m. at Hawk's Nest State Park on Saturday. Set up on Sunday is requested by 11:00 a.m. Please bring your own tables and canopies as needed. There is no electricity available. Parking of your vehicle will be allowed behind the assigned space if grounds are not wet. All spaces are 15' x 15'. Look for a Lions Club representative to help you find your space upon arrival. Activities will be planned on Saturday from 10:00-6:00 and Sunday noon-5:00.

The Ansted Lions Club asks that no food or drink be sold by the vendors for consumption on the grounds unless prior arrangements have been made. However, homemade items are welcomed that are pre-packaged for sale.

---

The Country Roads Festival has been celebrated since 1975 at Hawks Nest State Park and hosted by the Ansted Lions Club. This festival has seen many changes over the years. Our festival has not been held the last two years but it has given our members time to reflect upon what we want the Country Roads Festival to be going forward.

One of our decisions that we have made is not to allow vendors who are simply reselling dollar store items to participate. This decision restores our original mission to support the local art and craft industry and enhances the cultural heritage aspects that the festival wishes to portray. We believe that locals and tourists will be drawn to this type of event.
